<b>Disclosure Chart</b>	Type of Product	Fixed Price Product		
	Contract Term	12 Month		
	Do I have a termination fee or any fees associated with terminating my service?	Yes, Andeler Power will assess an early termination fee of \$299 for termination of service prior to the end of the contract unless verification of moving to another address is provided.		
	Can my price change during contract period?	Yes		
	If my price can change, how will it change, and by how much?	Your price maybe adjusted to reflect changes in TDSP charges; changes to the Electric Reliability Council of Texas (ERCOT) or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. Andeler Power will not make changes in price of your fuel charge for the length of the contract.		
	What other fees may I be charged?	The following is a list of charges applicable to your invoice that is not included in the above price per kWh. Monthly Customer Charge of \$5.25 per ESI. TDSP Advanced Meter Surcharge fee from your TDSP, fee dependent on TDSP. 5% late fee of current charges will be applied for bills not paid in full by the due date. Insufficient Funds Fee - \$35. Disconnect and Reconnect fees (due to cancellation of services for non-payment) \$25 per time. You will be billed separately for all applicable taxes and such other charges such as, but not limited to, non-recurring TDSP charges and other regulatory charges or charges approved by the PUCT.		
	Is this a pre-pay or pay in advance product?	No		

	Does Andeler Power purchase excess renewable generation?	No
	Renewable Content:	2.0%
	The statewide average for renewable content is:	The statewide average for renewable content is 5%.
