

**Electricity Facts Label (EFL)**  
**Andeler Power - Brazos Rate Plan (Variable)**  
**Effective Date: January 17, 2011**

<b>Electricity Price</b>	<b>Average Monthly Use/Average Price per kWh</b>			
	<u>Service Area</u>	<u>500 kWh</u>	<u>1,000 kWh</u>	<u>2,000 kWh</u>
	ONCOR	11.40¢	11.00¢	11.00¢
	TNMP	11.40¢	11.00¢	11.00¢
	Centerpoint Energy	11.60¢	11.20¢	11.20¢
	AEP Texas North	11.40¢	11.00¢	11.00¢
	AEP Texas Central	11.60¢	11.20¢	11.20¢
	<p><b>Except for price changes allowed by law or regulatory action, this is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of Andeler Power.</b> Please review the historical price of this product available at <a href="http://www.andeler.com">www.andeler.com</a> or you can contact Customer Service at 1-866-808-8839.</p> <p>The price in effect on the day following the previous meter read date will be applied for subsequent billing cycles. The price includes the cost of electric service and all recurring charges from your Transmission Distribution and Service Provider (TDSP) except the TDSP Advanced Meter Surcharge fee which will be listed as a separate line item on your invoice. This is a Public Utility Commission-approved surcharge that is passed thru from your TDSP. There is also a standard \$5.25 monthly customer charge assessed on each invoice that will be listed as a separate line item.</p> <p>The price listed does not include state and local sales tax or non-recurring charges such as (but not limited to) special meter read/test fees, collection fees, disconnect/reconnect fees, etc charged by the TDSP or by Andeler Power (such as a late fee, NSF check return fee, etc), as applicable.</p> <p><b><i>This price disclosure is an example based on average usage patterns. Your actual price for electricity service will vary according to your usage.</i></b></p>			
<b>Other Key Terms and Questions</b>	<p><i>See Terms of Service statement for a full listing of fees, deposit policies and other important terms.</i></p>			
<b>Disclosure Chart</b>	Type of Product	Variable Price Product		
	Contract Term	Month-to-Month		
	Do I have a termination fee or any fees associated with terminating my service?	No		
	Can my price change during contract period?	<p>Yes. The price applied in the first billing cycle may be different from the price in the EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas (ERCOT) or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. Please review the historical price of this product available at <a href="http://www.andeler.com">www.andeler.com</a>.</p>		
	If my price can change, how will it change, and by how much?	<p>The price is subject to change at the sole discretion of Andeler Power based upon the fluctuation of wholesale natural gas prices. Changes in law, regulatory charges, or TDSP charges could also cause fluctuations of pricing. This will be your price on your first invoice. Please see TOS for full disclosure.</p>		

	What other fees may I be charged?	The following is a list of charges applicable to your invoice that is not included in the above price per kWh. Monthly Customer Charge of \$5.25 per ESI. TDSP Advanced Meter Surcharge fee from your TDSP, fee dependent on TDSP. 5% late fee of current charges will be applied for bills not paid in full by the due date. Insufficient Funds Fee - \$35. Disconnect and Reconnect fees (due to cancellation of services for non-payment) \$25 per time per ESI. You will be billed separately for all applicable taxes and such other charges such as, but not limited to, non-recurring TDSP charges and other regulatory charges or charges approved by the PUCT.
